MY GEN HOMES
BUILDING GREAT MEMO

Affordable homes for all generations.

MyGen Homes is one of Perth's most progressive home builders. Whether you're building your first home, a new family home, or downsizing, we understand that this can be a daunting prospect, but it doesn't have to be.

That's why we've developed a range of home designs to suit the needs of different generations. This, along with our customer focused methodology, makes the entire process of building with MyGen Homes as stress-free and enjoyable - just as it should be.

After all, it's as much about building great memories and getting the most out of life, as it is building a new home and investing in the future.

THE FAIRBRIDGE

MyGen Homes has created a large family home with that unmistakable personal touch.

Encapsulate the energy of your youthful lifestyle with the open kitchen, family, and dining escalating onto the alfresco. Cool for summer and warm in winter, the living area is specifically designed to be environmentally friendly.

A luxe master suite, immense ensuite with oversized shower and expansive walk in robe will pamper those ready to reward themselves. The cleverly zoned separate theatre is the envy of any serious movie buff or serious gamer.

Accomplished with four bed rooms, activity room and generous bathroom, The Fairbridge will fuel the dreams of all generations.

Revolutionary in form and function this purpose built home is inspired by the colour palette of our beautiful state and will enhance both rural and cosmopolitan lifestyles.
